Leadership Team Applicant,

Thank you for taking an interest in becoming a member of The Bridge Leadership Team for the 2010-11 school year. In this packet you will find all the information you need to begin the process of becoming a leader for The Bridge. You will find a leadership team application and job descriptions for each position available on the leadership team, as well as a copy of the Student Leader Agreement. The Student Leader Agreement is included in this packet for information purposes only. Once you are selected for the leadership team then you will be asked to complete an agreement form.

To begin this process into leadership carefully read over all the job descriptions. Next, spend time in prayer asking God to reveal to you your gifts for leadership and which leader position would be a good fit for you. Finally, complete the leadership application and turn it in by the deadline. After you have completed your application prepare for your interview. Every applicant will be interviewed and then our leadership team will be chosen by the interviewing panel.

Once again thank you for your interest in becoming a leader at The Bridge your interest shows that you care about your university and The Bridge campus ministry. Most importantly it shows that you want the lives of UA Fort Smith students to be impacted by the love of Christ. Below is a list of dates that are very important for the application process.
