

Student Leader Agreement

The Bridge Campus Ministry @ UA Fort Smith

As a member of the student leadership team for The Bridge campus ministry for the year _____ I agree to the following guidelines and enter into a covenant between God, myself, and the campus ministry to abide by the set forth guidelines.

- I will attend at least 90% of all leadership team meetings
- I will attend the leadership team training and planning meeting/retreat
- I will regularly and actively be involved in a worship community (i.e. church/Sunday school/etc.)
- I will attend The Gathering on a regular basis (at least 60% of the time)
- I will regularly attend all other committee meetings for committees that I serve on
- I will attend *at least one* special event during the year (i.e. spring retreat, mission trip, etc.)
- I will complete all tasks associated with my position (see your job description for more detail)
- As a leader in the campus ministry I will be looked at as an example, and thus I should live my life in a way that is proper for that of a leader and that sets a good example for the other members of the campus ministry. Therefore, I will conduct myself in a way that is appropriate for that of a leader at all campus ministry activities and meetings. Additionally, in all areas of my life I will conduct myself in a manner that is worthy of the Gospel of Jesus Christ remembering that I am a representative of The Bridge, UA Fort Smith, First UMC of Ft. Smith, and the Arkansas UMC. In all situations I will make wise choices that will not tarnish the outstanding reputations of the above named organizations. With this in mind I will obey the following guidelines: I will not use, sell, or otherwise distribute illegal drugs; I will not knowingly participate in a party where alcohol or other drugs are being used; I will not participate in criminal activity in any form; I will abstain from pre-marital sex; and I will otherwise avoid behavior that is unbecoming of a student leader. In all areas of my life I will live a lifestyle that is above reproach by not placing myself in compromising situations so as to tarnish my reputation, lead others to believe something that is not true of me, or put myself in tempting situations where I might give into temptation and sin.
- I will be on time for all leadership meetings, weekly activities, and special events
- I will maintain the university requirements for officers of student organizations (these can be found in your job description)
- I will work diligently to advance the reach of The Bridge through personal one on one evangelism efforts.
- I will make an effort to further the reach of The Bridge outside of the UA Fort Smith campus by promoting the campus ministry in my home church and to incoming UA Fort Smith students.
- I will reflect a Christ like attitude and behavior in all things that I do and I will behave responsibly in the manner of a leader during all campus ministry activities
- I will participate in all activities at every event or meeting that I am at and I will do so with a positive attitude
- I will do my best to keep an active spiritual life. A spiritual leader can only give what they have. We must keep learning so that we can give

I _____ agree to be bound by this covenant as set forth in the above guidelines and I realize that if I break this covenant I am subject to immediate dismissal from the student leadership team. I'm aware that at any time if I feel that I am struggling to live up to this covenant that I should speak with the campus minister, so that I may not fall into the trap of temptation and thus commit a violation that will cause my dismissal, or cause great harm to my character and Christian walk.
